

# SAFE & SECURE

## Safety Reflectors with a HIDDEN POCKET!

These comfortable soft fabric different reflective products feature our exclusive HIDDEN POCKET which can hold keys, money, ID and more. These are also ideal for runners-in-training, and for promoting races, fitness centers, health clubs hospitals and other organizations.

### Wristwallet™ RF-729 (Pat. Pending)

When you are active outdoors you will really appreciate this versatile reflective item. The sensational **WRISTWALLET™** is soft and comfortable to wear, and it has a pocket for ID, keys, money or credit cards. The hook/loop fastening system makes it fully adjustable for a one-size-fits-all application. Besides being a great wrist reflector, the **WRISTWALLET™** can be used on a belt, on luggage, and also on backpack straps. This product is great for mall walkers, joggers, marathon runners, cyclists, pedestrians, skateboarders, roller bladers, and everyone else from nine to ninety! The large reflective area displays your logo or message.
