Broad-Band™ Sash

RF-548 2" Wide

It's like instant "Body Armor"! As soon as you put on a **BROAD-BAND™** Sash you will become highly visible to approaching motorists from either direction. It has a diamond background pattern and your one color Custom Imprint may appear in one position or in two positions. The 2nd position makes the imprint visible on the wearer from the front and the back. The Sashes come in white, fluorescent yellow or fluorescent orange. They come with a self-sticking fabric hook/loop adjuster so each person can adjust the Sash to their own size.

Flexbelts™ are available blank with no imprint at the next quantity price.

Flexbelt™

RF-564

This remarkable belt provides full 360° conspicuity. It is 2" wide and makes you highly visible in the headlights of approaching cars and trucks. It is adjustable from 29" to 54" to fit most everyone and is ideal when worn over a sweatshirt, parka or large jacket. You owe it to your family and other loved ones to be bright at night and take preventive measures to avoid an accident. **FLEXBELTS™** come in white, fluorescent yellow or fluorescent orange with snap-together black plastic buckles. There is space for a large custom imprint in one position on the belt.
