

## Breakdown Sign/Vest™ RF-561 (Patented)

Made from bright neon-orange DuPont Tyvek® material, this vest has a reflective strip both sides so the wearer can be easily seen in vehicle headlights at night. It may be worn by any motorist or used as a hanging sign for emergencies. Each vest comes in a sturdy vinyl package, which has space for a custom imprint on the flap as shown. A pouch on one side of the vest contains 6 interchangeable emergency message cards, which are individually visible through the transparent pouch.

Place the message of your choice into the clear pouch on the vest.

## Auto Door Reflectors

Set of Four RF-265

Adhere these self-sticking reflective strips inside car doors for greater nighttime safety. Motorists approaching from behind will more easily spot an open door. These stickers are shipped 16 sets of 4, on peel apart sheets. For a more meaningful promotion they may be mounted to a Safety Card RF-610. (See Page 67.)

## SUV Door Reflectors

Set of Twelve Stickers RF-255

Ideal for every kind of car, and especially for SUV's campers, trucks and vans, this set comprises of four large and eight small reflectors. Use on the inside of doors, the rear lift-door or tailgate, and on the inside of sliding mini-van doors. These bright-at-night reflectors keep approaching motorists more aware of opening doors and the potential for children or adults to suddenly emerge from the vehicle. The four large stickers may be custom imprinted. The back of the paper release liner may be printed with a message, a coupon or a special offer.
