

ANSI-Compliant Visibiliti® Shirts RF-4103

Don't be left in the dark when it comes to Occupational conspicuity. These high visibility T-Shirts could improve your safety margins. People working in high traffic areas need bright apparel for daytime visibility, and reflective trim for added nighttime safety. Our Safety Lime Yellow **REFLECTIVE SHIRTS** are ANSI/ISEA compliant so they will conform to the highest standards of brightness in the demanding world of Occupational Apparel. The shirts have more than 210 square inches of reflectivity, with 2" wide reflective stripes front and back.

These Orange or Safety Lime Yellow Shirts may be custom imprinted in black on one or both sides, with up to three lines of copy. They are a 50/50 cotton poly blend and are comfortable and soft to wear. They come in adult's sizes only, ranging from small to extra large. 2XL and 3XL are also available for additional cost as shown.
