

DRUG PREVENTION AWARENESS

Because RED is the national color for Drug Prevention Awareness, these products come in our standard Reflective Red #106 and are best with a white imprint. You may order any of the items featured here as a Stock Design item for the price as shown. Alternatively you may add your logo to the stock slogan.

These items are used for all kinds of Drug Prevention Programs such as in schools and colleges, by police departments, religious institutions, neighborhood groups, clinics and countless others interested in preventing the spread and usage of drugs and narcotics.
